

EC: 5 points

Added on to last test

- Identify a tribe or culture outside of America and write a one page summary about them (double spaced). Identify the five components of culture and explain them fully. Technology, symbols, language, values, norms.
- Add any other information deemed relevant.
- Paper must be typed and the layout must follow guidelines set forth in class by Mr. Kelleher or ZERO points will be awarded. This is an ESSAY people, write in complete sentences. You either get all 5 points or none at all.
- DUE MONDAY Sept. 23rd.
