- "U.S. prisoners on Bataan sorting equipment while Japanese guards look on. Following this, the Americans and Filipinos started on the Death March to Camp O'Donnell in central Luzon.
  - Over 50,000 prisoners were held at this camp. A few U.S. troops escaped capture and carried on as guerrillas."

- "The infamous Death March from Bataan in 1942, showing thinning file of prisoners carrying comrades who dropped along the way."

- "The Bataan Death March- the end of the road."

- "Death of a POW."

- "Working on the railroad. The Japanese have classified these men fit for heavy labor. They are aged 19 to 23. POW Geoge Aspinal took the picture with a secret camera and kept the film hidden till liberation."

- Of the 70,000 prisoners only 54,000 survived the 50 mile march.
